Plan Area Boundary

On October 20, 2009, the Board of Supervisors adopted resolution 09-319 that:

- 1. Appointed the GavPAC**
- 2. Set the plan area boundary**
- 3. Allowed for the GavPAC to recommend minor boundary adjustments to the Board**

Plan Area Boundary

- 1. The plan area boundary was designed around the key principal of encompassing the entire watershed**
- 2. Deviations from this principal were allowed to avoid bisecting parcels or entire landholdings by the plan area boundary**
- 3. Waiting to make further boundary adjustments may be appropriate given that the goals, objectives, and land use planning tools of the Gaviota Coast Plan have not yet been developed**
