

GAVIOTA PLANNING ADVISORY COMMITTEE
TRAILS RECOMMENDATIONS
(GavPAC Meeting No. 36 on 6/15/11)

1. Revise existing policies to recognize limits on exaction “subject to prevailing law”
2. Update PRT maps
3. Consider incentives for trail dedication
4. Develop thematic scheme for trail development (tension between primitive and “urban”-type trail system)
5. Consider Policy to encourage specific plans for trail development on large landholdings
6. Consider issues related to Coastal Trail planning (e.g. trails as close to the ocean as possible)
7. Consider appropriate trails linkages between inland and coastal trails (e.g. link Refugio beach with Gaviota Peak)
8. Consider implications for desired infrastructure (e.g. parking) associated with trails development
9. Consider potential impacts of trails development from the landowner perspective
10. Consider minimizing the use of asphalt for trails
11. Consider CRAHTAC adopted principles for trail development
