# Planning Process

# Common Threads

**Long-Term Perspective**

**Protect Rural Character**

**Holistic/Integrated Approach**

**Landowner Stewardship**

**Some Regulations Hinder  
Beneficial Practices/  
Improvements**

**Visual resource  
protections**

**Plan for Existing Energy  
Facilities**

**Introduce Flexibility  
to Regulations**

**Intrinsic Ecological Values**

**Incentivizing NRCS  
coordination**

# Existing Tensions

**Unintended Consequences  
of Regulations**

**Broaden View of Regulations**

**Lack of Understanding of  
Agriculture**

**Artificial Conflict Creation**

**Agricultural Viability**

**Incentivize good practices,  
discourage bad practices**

**Much Commonality**

# Gaviota Coast Planning Advisory Committee

## April 7, 2010
