Public Safety, Services, and Infrastructure					
1993 Goleta Community Plan Goals	2006 Goleta Visioning Committee (GVC) Goals	Action			2009 Recommended Goleta Valley Planning Advisory Committee Goals
		Retain 1993 Goal	Replace with 2006 Goal	Add New Goal/Modify existing goals as shown in next column	
To maintain an adequate, safe water supply and protect groundwater basins from prolonged overdraft and quality degradation.	Ensure an adequate water supply for current and future needs.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
To ensure that public facilities and infrastructure be planned which will service the residents and workers of Goleta at acceptable levels.	We are a safe community. We have directed appropriate financial resources to improving and maintaining public infrastructure and are recognized for our extensive system of sustainably landscaped streets and greenways.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Promote Improvements in Circulation, Parking and Other Public Facilities and Services for Commercial, Industrial and Residential Areas for the Benefit of the Entire Community.	Innovative improvements have been made to the storm drain system that protects all areas with a minimum of cost or damage to the environment.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
	Land use policies are in place which encourage utility companies to develop innovative ways to construct and operate their facilities.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
	The reclaimed wastewater system is available to all areas of the Eastern Goleta Valley.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
	Land use policies are in place that help maximize the use of available grants and to improve and maintain infrastructure.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
	We have in place preparedness plans and programs to assist residents in times of disaster.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
	Adequate emergency services are available to our residents.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
	Development has been planned to include disaster mitigation and adequate planning controls and infrastructure are in place before development is allowed (e.g., vegetation clearing from structures, a water system for fire fighting, adequate fire fighting equipment and personnel).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
