## Calendar

The GVPAC Review of the Administrative Draft Plan is scheduled from October 26, 2010 to January 11, 2011. Each meeting agenda will schedule a brief overview presentation by staff, followed by GVPAC discussion, and public comment on the assigned section.

Following GVPAC Review and Comment, the Administrative Draft will be prepared for the County Planning Commission and Board of Supervisors' review and initiation for environmental review.

### **Continued Discussion of Section IV: Environmental Resources and Constraints (Item #3)**

---

The upcoming meeting will allow the GVPAC to finish review and comment for Section IV: Environmental Resources and Constraints

### **Section III: Public Services and Facilities (Item #4)**

---

Section III: Public Services and Facilities is organized as follows:

- A. General Public Services and Facilities
- B. Illustrated Public Services and Facilities Recommendations
- C. Public Safety: Fire Protection, Law Enforcement, and Emergency Services
- D. Parks, Recreation, Trails, and Open Space
- E. Water, Wastewater, and Solid Waste Management
- F. Transportation and Circulation

Prior to GVPAC Meeting #31, please read the Section III of the Plan and record your comments in your GVPAC comment log. This section has two functions:

1. It recommends improvements to public services and facilities consistent with the GVPAC goals;
2. It sets standards where feasible for the type, scale, and capacity for public services and facilities.

Uniquely, this section requires interagency and interdepartmental coordination to achieve the goals and objectives. As such, many of the recommendations are implemented by agencies and departments other than Planning and Development.

Thank you for your time and hard work reviewing and commenting on the project. We are looking forward to your feedback on the Administrative Draft of the Goleta Valley Community Plan for Eastern Goleta Valley.
