

The County of Santa Barbara and

(GVPAC) Invite You to

Help Shape the Future for the Eastern Goleta Valley!

The County of Santa Barbara is facilitating an update to the Goleta Community Plan to guide land use and development for the unincorporated Goleta Valley over the next 10-20 years.

The objective of this project is to discuss, evaluate, and update the goals for many aspects of the community, including housing, transportation, agriculture, parks, economic development, and environmental protection in the 1993 Goleta Community Plan.
