

**Community Plan Update  
Goleta Vision Committee  
March 11, 2006 9:00 am – 3:30 pm**

Location: Vieja Valley School  
434 Nogal Drive

**Draft Workshop Agenda**

**Workshop Purpose and Format:** To provide an opportunity for Goleta Vision Committee (GVC) Members and the general public to become better informed with regard to existing conditions and trends related to water supply, wastewater treatment, flood control and parks/open space issues. The workshop will provide an opportunity for participants to brainstorm ideas and perspectives that be taken into account by the vision process and committee recommendations. The format of the Workshop will include presentations by agency managers, opportunities for questions, and round table discussion of key issues, concerns and opportunities within the long range planning process for the unincorporated portion of the Goleta Valley within the Second District.
