

Santa Claus Lane

Streetscape, Beach Access and Parking Plan

Public Meeting

Tuesday, January 17, 2012 at 6:00 pm

Rincon Beach Club
3805 Santa Claus Lane

Santa Barbara County presentation of preliminary engineering and landscape plans for Santa Claus Lane.

Preliminary Project Plans Include:

- Increased parking spaces using diagonal and parallel parking
- Continuous sidewalk on both sides of Santa Claus Lane from Padaro Lane to freeway onramp
- Attractive landscaping with low-maintenance, beach adapted native plants
- Improved storm water management
- Bathroom, beach shower, recycling and trash bins and bicycle racks
- Crosswalks and other features to slow vehicle speeds
- On-street shared vehicle and bicycle lanes
- Roundabout at end of Santa Claus Lane to facilitate vehicle turn around

Staff will also provide an update on the status of safety improvements for beach access and the results of a beach user survey conducted in Summer 2011.

Project plans will be posted to the website when available at:
