

# EGVCP ESH/RC Land Use & Zoning Overlays Map Update Notice of Planning Commission Hearing

On May 2, 2018, the Santa Barbara County Planning Commission will hold a public hearing to consider the Eastern Goleta Valley Community Plan (EGVCP) Environmentally Sensitive Habitat/Riparian Corridor (ESH/RC) Land Use and Zoning Overlays Map Update. The project updates the existing ESH/RC Land Use and Zoning Overlays Map within the rural area of the EGVCP area, including Existing Developed Rural Neighborhoods. The updated map will provide an enhanced tool for implementation of the ESH and RC policies, development standards, and overlay regulations that were adopted in 2015 as part of the EGVCP. The project would amend the County Land Use Element (Case No. 17GPA-00000-00001) and County zoning Map (Case No. 17RZN-00000-00001), and determine that the certified Program EIR (14EIR-00000-00005) for the EGVCP is adequate environmental review for this project.

The staff report and attachments will be available one week prior to the hearing on the [Planning Commission website](#). Additional information is also available on the [project website](#). All documents may also be reviewed at the Planning and Development office located at 123 E. Anapamu Street, Santa Barbara.

The hearing will take place on **Wednesday, May 2, 2018, starting at 9:00 A.M. at the Santa Barbara County Planning Commission Hearing Room, 123 East Anapamu Street, Santa Barbara, CA.** Testimony and written comments are welcome. Please address written comments to:

Santa Barbara County Planning Commission, c/o Hearing Support  
123 East Anapamu Street, Santa Barbara CA, 93101
