13. Voter Approval

- a. Any legislative approvals (e.g. zoning amendment, General Plan amendment, Local Coastal Plan amendment, Development Plan, or other legislative action) which would authorize or allow the development, construction, installation, or expansion of any onshore support facility for offshore oil and gas activity on the South

For the purpose of this measure, the term "onshore support facility" means any land use, installation, or activity proposed to effectuate or support the exploration, development, production, storage, processing, or other activities related to offshore energy resources.

- b. The voter approval requirement set forth in (a.) above shall not apply to onshore pipeline projects or to onshore support facilities that are located entirely within an existing approved consolidated oil and gas processing site at Las Flores Canyon (designated as of June 13, 1995 as APN 81-220-14, 81-230-19) or Gaviota (designated as of June 13, 1995 as APN 81-130-07, 81-130-52, 81-130-53).
