

**RESOLUTION OF THE BOARD OF SUPERVISORS  
COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA**

IN THE MATTER OF ADOPTING  
AMENDMENTS TO THE LAND USE  
ELEMENT OF THE COMPREHENSIVE  
PLAN, TO UPDATE THE SOUTH COAST  
OIL AND GAS CONSOLIDATION  
POLICIES

RESOLUTION NO. 06-085

Case No. **04GPA-00000-00017**

WITH REFERENCE TO THE FOLLOWING:

- A. Santa Barbara County seeks to minimize the proliferation of oil and gas facilities in the South Coast Planning Area while still accommodating current and potential future demand for such facilities.
- B. The Santa Barbara County Board of Supervisors initiated, and the County Planning Commission has recommended, specific policy amendments that would remove the consolidated oil and gas processing site designation from one of two such-designated sites in the County as that site (Gaviota) is no longer used for processing oil and gas and future consolidated processing needs can be accommodated at the other consolidated processing site (Las Flores Canyon) or other County locations, as appropriate.
- C. The Board has held a duly noticed public hearing, as required by Section 65355 of the government Code, at which the amendments to the Land Use Element were explained and comments invited from persons in attendance.
- D. It is now deemed in the interest of the orderly development of the County of Santa Barbara and important to the preservation of the health and safety of the residents of said County to amend the Land Use Element of the Comprehensive Plan by adopting the following amendments to *South Coast Policy 5, Implementing Action C – Consolidation of Processing Sites* as follows:

The oil and gas processing site at Las Flores Canyon (APN 81-220-14 and 81-220-19, as delineated on County zoning and parcel maps as of September 7, 2004) is designated as the consolidated site for processing oil and gas production from offshore reservoirs and zones. Any new oil and gas production from offshore reservoirs and zones that is processed within the South Coast Consolidation Planning Area shall be processed at this site.

NOW, THEREFORE, IT IS HEREBY RESOLVED as follows:

- 1. Pursuant to the provisions of Section 65356 of the Government Code, this Board adopts the foregoing amendments to the Land Use Development Policies of the Land Use Element.

2. A copy of this Resolution shall be made available pursuant to Section 65357 of the Government Code.
