NOTICE OF PUBLIC HEARING

SANTA BARBARA COUNTY BOARD OF SUPERVISORS
2003-2008 HOUSING ELEMENT FOCUSED REZONE PROGRAM

Tuesday, February 24, 2009
Board of Supervisors Hearing Room
511 Lakeside Parkway, Santa Maria
Hearing begins at 9:00 a.m.

The Santa Barbara County Board of Supervisors will hold a hearing to review and further consider proposed changes to the County's 2003-2008 Housing Element, including implementation of the Focused Rezone Program. The Focused Rezone Program is designed to comply with the California Department of Housing and Community Development (State HCD) requirements to demonstrate that additional housing capacity has been made available to meet the targets established for the County by State HCD for the 2001-2009 Regional Housing Needs Allocation period (RHNA).

The Focused Rezone Program proposes to amend the existing zoning for two sites identified in the Orcutt Community Plan to accommodate a minimum of 370 units of multifamily housing. On January 27, 2009, the Santa Barbara County Board of Supervisors considered rezones on **Key Sites 3 and 16** or **Key Sites 3 and 30** to accommodate these units. Subsequently, on February 3, 2009, the Santa Barbara County Board of Supervisors set a hearing for February 24, 2009 to further consider the Focused Rezone Program.

The Housing Element Focused Rezone Program Final EIR, including related information on the proposed project as well as additional site alternatives is available at the following website:
