Montecito Architectural Guidelines and Development Standards Limited Update, Phase II

**Wednesday, June 28
6:00 to 8:00 PM
Westmont College
Founders Room
955 La Paz Road
Santa Barbara**

Please join us!
The workshop will include a staff presentation and opportunities to comment on proposed amendments to the *Guidelines* and zoning ordinances.

Santa Barbara County welcomes your input on a limited update of the *Montecito Architectural Guidelines and Development Standards (Guidelines)* that will address the size and/or number of detached accessory structures on residential parcels in Montecito.

The purpose of this update is to ensure that the size, bulk, and scale of detached accessory structures are compatible with surrounding development.

Architect: A.B. Harmer, 1931

Watercolor: John Watson
